enjoying your narrowboat experience

Travelling at less than four miles an hour, a narrowboat holiday offers the fastest way to slow down and the chance to sight-see at a relaxed pace. As soon as you are underway on your floating holiday adventure, stress levels are reduced and a steadier pace of life takes over.

From fields and wildlife to fascinating urban landscapes and world class waterside attractions, you'll see things differently from a canal boat. And as canals and rivers provide homes for large numbers of birds, plants and animals, including swans, dragonflies and kingfishers, there's always something special to look out for.

Choose from rural retreats to city breaks

Most mooring sites are free, so you can stay somewhere different every night. You can moor up in the centre of top destinations, such as Bath, Birmingham, Oxford, Stratford-upon-Avon or Chester. Or you can explore sleepy villages, rural backwaters and unspoilt countryside.

Our narrowboat galley kitchens are well equipped, so you'll have everything you need on board for a self-catering holiday afloat. Or you can stop off at waterside pubs along the way.

Our holidays are pet-friendly

Up to two well behaved pets are welcome aboard, and the first pet travels free. There's a charge for your second pet of £25 for a short break, £35 for a week. Please do bring your pet's bed as they aren't allowed on the beds or seats.

“Anglo Welsh are a great company to hire from. The booking process is so quick and simple and they keep you informed every step of the way. The staff are so friendly and professional and nothing is too much trouble.”

where do we start?

With such a wide range of starting points across England and Wales, and over 160 boats to choose from, you'll be spoilt for choice when planning an Anglo Welsh holiday.

Choose your location

We have 11 start-points in England and Wales. Wherever you start your holiday will also be the finishing point.

Once you have a location in mind, take a look at the route information on pages 6-25. There's more information on our website www.anglowelsh.co.uk/locations about routes, including circuits which take you on a multi-canal loop.

Decide how long your holiday will be

We offer a range of holidays from three-night weekends and four-night midweek getaways, to one week, 10 days or two weeks – or more! Holidays can start on a Friday, Saturday, Monday or Tuesday, depending on the boat you choose. Holidays from Silsden are offered every day of the week except Wednesdays.

Our collection and return times

Boats are ready to collect from 3pm on the afternoon of your holiday start date. And you'll need to return your boat at 9am on the final day of your holiday, or the afternoon before if you've made arrangements with the booking team. Please bear this in mind when deciding where to moor on your last night.

Learning the ropes

You don't need to have any boating experience to enjoy our holidays. When you arrive to pick up your boat, one of our instructors will take you through everything you need to know – how to start the engine, fill up with water, steer, slow down, moor up and work the locks.

There's a manual on board every boat if you need to check on anything and our engineering teams are always on hand – 24 hours a day – to help over the phone or come out to you if you need them.

We also have a Boat Handover video online that you can watch in advance of your trip, and a series of short 'how to' videos to help you along the way.

There are some FAQ's on our website www.anglowelsh.co.uk and you can call our bookings team on 0117 304 1122 if you have any questions.

Planning ahead

You can buy a waterway map in advance from our booking office or at one of our boat yard shops.

Bedding

Bedding and bed linen, towels and hand towels are supplied and all fixed beds are made up before you arrive. Bedding is provided on request if you are on a boat where the dinette seating can be converted into a bed. Please note towels are only supplied to overseas visitors at Silsden.

The City of Bath

Departing from the World Heritage City of Bath, or from the outskirts of the City at Brassknocker Basin, these bases offer cruising along the Kennet & Avon Canal, one of the most popular waterways on the network.

Sydney Wharf

From Bristol in the west, to Reading in the east, this stretch of water will capture your imagination and highlight the diverse range of unique experiences an Anglo Welsh narrowboat holiday has to offer. From simple weekend cruises to wonderful weeks and fabulous fortnights, we're as flexible as you are!

Bath makes a fantastic short break destination. The stunning Caen Hill flight of locks on the Kennet & Avon Canal at Devizes is also a popular destination from our Bath base. Foxhanger Wharf, at the base of the flight, has visitor moorings and a place to turn around.

Head west from Sydney Wharf, and in just 5 minutes you'll reach Visitor Moorings in the heart of the World Heritage City of Bath. From here, it's a short walk into Bath City Centre where you can visit the natural hot springs and Thermae Spa, Roman Baths and other iconic attractions.

Head further towards the setting sun along the River Avon to Bristol. 'Jump ship' with your crew and visit Brunel's masterpiece, the SS Great Britain, or wander through the Underwater Tunnel at Bristol Aquarium.

Monkton Combe

Re-opened by Her Majesty Queen Elizabeth II in 1990, the Kennet & Avon Canal stretches 87 miles, connecting the Bristol Avon in the west with the River Thames at Reading. It will take you through some of the country's best-loved landscapes, including the Bath Valley, Vale of Pewsey and North Wessex Downs Area of Outstanding Natural Beauty.

Our Brassknocker Basin base at the end of the Somerset Coal Canal, just a short two-hour cruise from the centre of Bath, is one of our favourite starting points.

With a fabulous rural setting on the City's doorstep, our friendly base team is ready to help with your holiday and ensure you make the best of both worlds.

You'll soon be setting off, enjoying the fresh air, spotting darting kingfishers, listening to the gentle wash of water against the side of the boat, sipping coffee, giving a friendly wave to fellow boaters and forgetting about the rest of the world.

Silsden

Tucked away in the Yorkshire Dales, this is the perfect place to explore the Leeds & Liverpool Canal, with the choice of wide beam as well as narrowboats for hire.

Your holiday starts in the small Yorkshire town of Silsden, which dates back to Saxon times, with its duck pond in the centre of the main street.

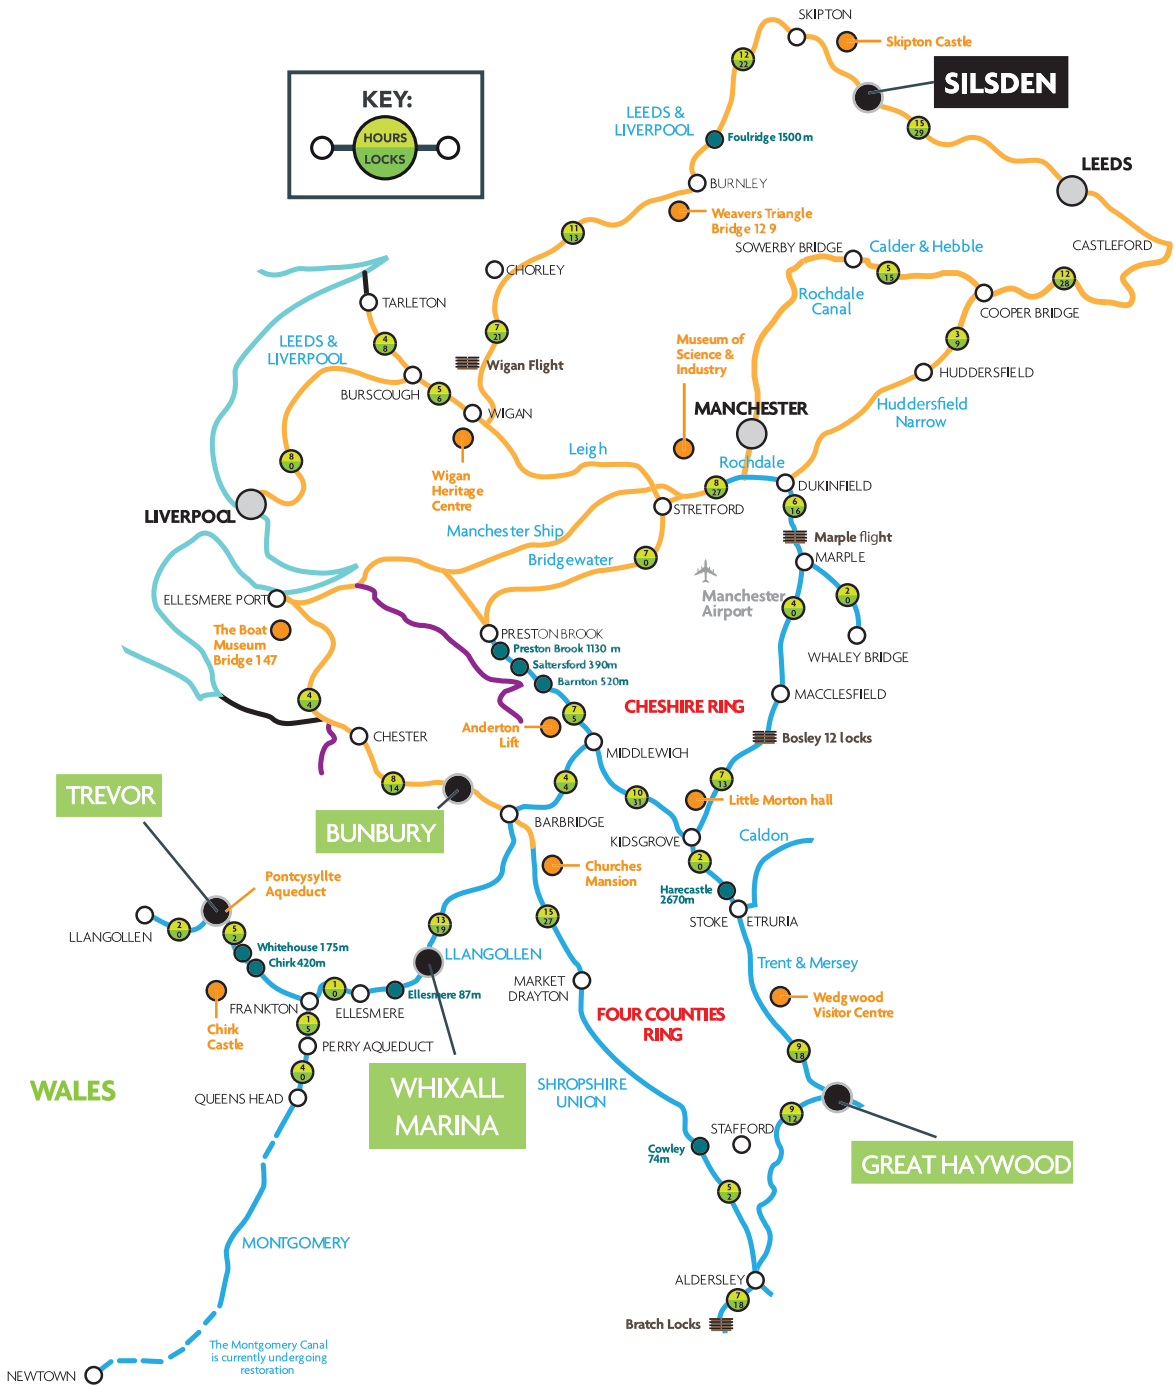

Going west from Silsden, the canal passes through the typical Yorkshire stone-built villages of Kildwick and Farnhill and on into a densely wooded area famous for its bluebells and deer.

Through Bradley - a quintessential ‘mill village’ with a cricket field and country pub. Then on to Skipton, the ‘Gateway to the Dales’ with a market four days a week, and farmers market once a month.

The canal continues through countryside to the delightful village of Gargrave, where it runs close to the River Aire. It’s also the start of a flight of six locks, followed quickly by another six locks at Bank Newton, said to be the most beautiful on the whole canal system.

These take the canal up into the Dales with stunning views, until you reach the hamlet of East Marton, with its famous double arch bridge. From here, continue on through the countryside to the three locks at Greenberfield.

Route 2 : Weekly Cruise – Llangollen Return

The Llangollen Canal is possibly the most popular in Britain, with attractions for families or groups of friends. Picturesque countryside takes you through Shropshire, Cheshire and North Wales, with plenty of canal-side pubs. A camera is a must for the canal architecture and views, particularly Pontcysyllte. An unusual feature of this canal is a 2 mph water flow, so your return journey will be quicker than the outbound trip.

Route 3 : Weekly Cruise – Chester Return

An interesting cruise, with staircase locks and lift bridges adding to the canal experience, as well as the beautiful Cheshire countryside. The Llangollen Canal goes through the pretty towns of Whitchurch and Wrenbury, before descending into Hurleston Junction. Here you join the Shropshire Union Canal taking you into the historic city of Chester.

“Our boat was clean and well-appointed, the staff were very friendly, and very thorough in their instructions on how to use the boat.”

Wootton Wawen

Explore Shakespeare country, Stratford-upon-Avon and the waterways flowing through the 'Heart of England'.

Perfect for cruises to Birmingham and Stratford-upon-Avon, our base at Wootton Wawen is one of our most popular starting points.

Heading south on the Stratford Canal, you cross the 145-metre long Edstone Aqueduct, the longest aqueduct in England.

The Royal Shakespeare Company is on the banks of the River Avon and you can moor up in Bancroft Basin in the centre of Stratford to soak up the history and culture. It's a six-hour cruise from Wootton Wawen, so we suggest you spend your first night at Wilmcote, where you'll find Mary Arden's Farm. At Stratford, if you have time, you can buy a licence and lock down onto the River Avon, to cruise through idyllic countryside to Evesham and Tewkesbury.

Go north from Wootton Wawen and you can head for the bright city lights of Birmingham. With more canals than Venice, as well as great attractions, shopping and places to eat, Birmingham is full of canal history. You can moor up in Gas Street Basin, close to Brindleyplace, the Sea Life Centre and Mailbox Shopping Centre.

If the bustling city is not your thing, then keep it rural by heading onto the Grand Union Canal at Kingswood Junction. Cruise down to historic Warwick with its famous castle and tackle the famous Hatton Flight of locks.

interiors and layouts

Our boat layouts show you the range of our extensive fleet and help you to choose which works best for you and your crew of between 2 and 12 people.

The example layout below, is a symbol guide giving you all the different possible facilities that could be available to you on your chosen boat. The layouts indicate the locations of berths (bedrooms), bathrooms, storage and other facilities on board. So follow the symbol guide and look carefully for the things you want on your boat, then match these within the boat layouts throughout the rest of the brochure.

Each boat has a weekly and short break price band in the bottom right-hand corner. This is either a number or letter next to the layout which refers to the holiday prices on page 38. When a +2 is shown in the layout this means an extra 2 berths can be made by converting the dining area to a double bed, or in some cases two singles.

Please be aware that these drawings are not to scale and give an idea of what the layout will look like, but some boats do vary slightly from base to base. If you are unsure on anything, please call our booking team on 0117 304 1122.

day boats

Dip your toe in the water with our day boat hire.

Available at most of our bases, our day boats offer a great way to try canal boating and get the hang of steering, mooring up and working the locks*.

All our day boats are equipped with a fridge, toilet, cutlery, crockery, a kettle and a hob, so you can pack a picnic and head out for the day with everything you need, or plan a stop at a canalside pub.

Tuition is included as part of our day boat hire package. Prices start from just £10 per person. Cruising hours during the season are from 9am to 4pm.

Our day boats carry a maximum of ten people and have both indoor and outdoor seating. Check the layout with the Booking Team as they are all slightly different.

Day boat hire routes & prices

Cheshire - from Bunbury on the Shropshire Union Canal near Tarporley, you can cruise south for six miles, and travel across the impressive Grade II* listed Nantwich Aqueduct, with panoramic views across the town.

Shropshire - from Whixall on the Prees Branch of the Llangollen Canal, you can head east to Whitchurch in just over two hours, or west to Ellesmere in the heart of the Shropshire Lake District in around three hours.

Available at six of our bases, our day boats offer a great day out in the countryside with friends and family.

Staffordshire - from Great Haywood on the Trent & Mersey Canal you can travel south to the historic market town of Rugeley, passing through the Cannock Chase Forest Area of Outstanding Natural Beauty, or north to the village of Sandon with a choice of pubs along the way.

Warwickshire - from Wootton Wawen on the Stratford Canal, you can head south to the historic village of Wilmcote, passing over the impressive Edstone Aqueduct, or north to Lowsonford, through the remains of the Forest of Arden.

Wrexham - from Trevor on the Llangollen Canal in North Wales, you can cruise east across the Pontcysyllte and Chirk aqueducts and on to Chirk Bank, or west to the pretty town of Llangollen, on the edge of the Berwyn Mountains.

Worcestershire - from Tardebigge on the Worcester & Birmingham Canal near Bromsgrove, you can cruise north along the Worcester & Birmingham Canal to Kings Norton Junction, passing through fields, wooded sections and two canal tunnels.

On our website, we've published 10 new destination maps to guide you on a perfect day out afloat.

Alcohol – a sad but necessary warning

Whilst we want everyone to enjoy their day boat cruise, our primary concern is for your health and safety, and that of others on the waterway. Our base staff will not allow excessive amounts of alcohol to be taken aboard the boats, and will decline to handover any boat where they feel this may be an issue. This would result in you forfeiting your booking payment.

If your boat crew is reported causing disruption on the waterway, the crew will be escorted from the boat and all payments and security deposits will be forfeit. The crew will also be reported to waterway authorities, which could result in prosecution.

*Not all our day boat routes will include locks

winter cruising

We offer winter cruising from October to March at six of our narrowboat hire bases, giving you the chance to celebrate Christmas or New Year on the canals.

Whether you want to head to a festive waterfront destination, or escape from it all in a quiet rural area, Christmas on the canals offers a very special experience.

Our winter canal boat hire bases offer a range of routes*, with plenty of historic rural pubs to stop at along the way.

You can cruise through the Welsh Mountains from Trevor, the Staffordshire countryside from Great Haywood, or Shakespeare's country from Wootton Wawen. Alternatively, take a Christmas shopping expedition to Birmingham from Tardebigge, head to Chester from Bunbury or to Whitchurch from Whixall.

All our boats have central heating, hot water, TV and DVD players, so it's always nice and cosy on board. Some of our boats also come with multi-fuel stoves for some extra special winter warmth.

Our prices over Christmas and New Year start at £680 for a short break on a boat for four people and weekly hire from £940.

**Some of our routes will be affected by winter maintenance work on the canal network.*

Talk to us

We want to make booking your holiday as easy as possible and our booking team is on hand to help you. It's a small team, so we can offer a personal service and ensure you have a memorable holiday.

We offer a seven day, no obligation, provisional booking service, giving you time to organise your party and holiday dates.

When is the booking office open?
We are here from 8.30am to 5.30pm on weekdays, from 9am to 4pm on Saturdays, and from 10am to 4pm on Sundays and bank holidays. The booking office is closed on Easter Sunday, from Christmas Eve to Boxing Day, and on New Year's Day. Messages can be left outside office hours and we'll call you straight back when we reopen.

What do I need to be able to book?
Have your credit/debit card details ready and the team can book your holiday on the spot.

How much deposit is required?
The deposit is 25% of your basic brochure holiday price (Box A on your booking form), or full payment if your holiday is within eight weeks of booking.

When do I pay the final balance?
You'll need to pay the balance of your invoice eight weeks before your holiday starts. You can either pay by cheque or credit/debit card. If you would like to pay by cheque, please make cheques payable to 'Anglo Welsh Limited'.

When do I pay for fuel?
All our boats start with a full tank of fuel - plenty to cover a steady two week cruise. You pay a fuel deposit when you book your holiday - this is £110 per week or more, or £70 per short break.

When you bring the boat back to us, the balance of the deposit is refundable after deducting the fuel used. If you have used fuel in excess of the deposit, you will be asked to pay the difference.

Electrical appliances
There is a limit to the power that is available on a boat. Items that use less than 1,000 watts can be used, for example cool boxes, hair straighteners, blenders, as well as phones, tablets and laptop chargers. However, kettles, irons, hairdryers, heaters and vacuum cleaners usually need more power, so they can't be used. It's not possible to guarantee the battery powered system will provide a constant supply of power to any electrical device, including medical appliances. Visit our website for more information about using electrical items on board or call us on 0117 304 1122.

WiFi
We've installed internet hubs on all our boats, except those from Silsden, giving you 1GB of free WiFi. Connection to the internet is available if there's a signal, but the download is limited and the signal is likely to be poor in rural areas.

Terms & Conditions

Please read these terms and conditions carefully when you book a holiday with us you are entering into a contract, which binds us in various ways. You are strongly advised to ensure you have adequate personal travel insurance, which should also cover any of your potential liabilities in this agreement.

1. Definitions.“The Company” means Anglo Welsh Ltd trading as Anglo Welsh Waterway Holidays.”The Hirer” means the designated Skipper named on the Handover Certificate. Where there is more than one Hirer, they shall be individually responsible and liable under this agreement.

2. Booking Agreement. A booking is a legally binding contract. The contract includes these conditions which the Hirer accepts having read and agreed them. The entire contract between the Company and the Hirer is contained in these conditions and the booking form and no representations, terms, warranty or condition expressed or implied shall be deemed to be or have been made or agreed or imported by reference to any other writing, advertisement or conversation. No agent, servant or representative of the Company has any right to alter or vary or waive any of these conditions. Nor is any such person authorized to undertake and liability whatsoever on behalf of the Company. These conditions can only be varied with the written permission signed by Director or the General Manager of the Company. The Hirer acknowledges that no statement or representation which may have been made by or on behalf of the Company induced the Hirer to enter into the contract and that any such statements or representations do not form part of the contract. Any liability of the Company and any remedy of the Hirer in respect of any such statement or representation is excluded save in so far as liability in respect of any particular statement or representation may not be excluded by law. In accepting a booking, the company's responsibility does not extend beyond the provision of the boat and in particular there is no warranty that any particular route will be available for navigation during the period of hire. Where more than one boat is booked on the same booking form each boat shall be deemed to be the subject of a separate contract. Bookings for optional extras are taken subject to availability on the start date.

3. Group Bookings, Age Limits and Unsuitable Hirers. The Hirer must be aged 18 years or older. The Hirer warrants that whenever the boat is driven by a person aged under 18, that they will at all times be under the close supervision of a competent person aged 18 years or older. The Hirer warrants that the able body people aged 18 years or older will be aboard the boat, taking responsibility of boat and crew at all times. The Hirer must provide on the booking form all details of all persons in their party. On arrival at the base, the boat handover certificate must be completed in full. The company reserves the right to cancel any booking made in contravention of either of the above conditions, on or before the start date and any monies paid to the company shall be forfeit. The company may, at its discretion, cancel any booking and refuse to handover the boats to any person or group who in the company's opinion is not suitable to take charge on the grounds of infirmity, ill health, disability, or who have failed to demonstrate a reasonable standard of competence following appropriate instruction in boat handling. In this event, the company will refund all monies paid for the boat hire and the contract shall be discharged without any further liability on either party. The company may, at its discretion, cancel any booking and refuse to handover the boat to any person or group who in the company's opinion is not suitable to take charge on the grounds of suspected influence of alcohol or drugs. In this event, the company will not refund any monies paid for the boat hire and the contract shall be discharged without any further liability on either party. The company may repossess the boat at any time if in the opinion of the company, the Hirer is unsuitable for the above reasons, or, if the Hirer is not behaving responsibly, or if the boat or any persons are at risk. In this event, the Hirer shall remain liable to pay the full hire price and no refund will be given. Anglo Welsh are one of the few operators who will entertain celebratory parties. Sadly, the actions of the few have repercussions on the many. Therefore, any booking may be required to place a pre-authorised deposit of £1,000 per boat. All or a portion of this amount may be retained in the event of any transgressions to our Terms and Conditions. In the event of a party or boat declining to register this deposit upon request, the boat will not be handed over to the customer and all monies paid by the customer for the holiday shall be forfeit. Additional deposits of up to £100 per person may be required at the discretion of Anglo Welsh Ltd. For certain parties, the deposit will be returned to you when you have finished your holiday, providing the boat and its equipment is returned on time, undamaged, clean and tidy, with no third party claim. If You or any member of Your party has a disability and/or reduced mobility that may affect Your booking, it is Your responsibility to notify the Company when making the booking or, if such disability and/or reduced mobility becomes apparent after the booking, no later than 48 hours prior to the Start Date. Subject to the foregoing, although the Company has no expertise in this subject matter, the Company will try and advise you as to the suitability of the boat you have chosen to hire and possible alternatives but You acknowledge that certain space restrictions and practical safety considerations apply on board boats which may prevent a person with a disability or reduced mobility from accessing the boat and/or complying with all safety requirements. Where You have made a booking and You or a member of Your party subsequently becomes disabled and/or reduced mobility the Company will endeavour to ensure you may not always be able to accommodate their needs. If in the Company's reasonable opinion it is unable to properly accommodate the needs of the person(s) concerned or You do not accept such alternative arrangements as the Company may offer, the Company may, without liability, treat this as a request to terminate Your booking. The Company may require the person(s) concerned to produce a medical certificate certifying that they are fit to participate in the hire of the boat. The Company shall not be liable for any loss or damage caused as a result of a disability and/or reduced mobility, save where such loss or damage is caused by the negligence of the Company and results in death or personal injury.

4. Cancellations & Changes. The agreement including the payment terms is a legally binding contract and may not be cancelled or amended except as provided in the Conditions. Should the Hirer wish to cancel or amend the booking they must advise the Company immediately by telephone and at the same time send written confirmation by Recorded Delivery Mail. In the event of a cancellation, the deposit will be forfeited and the hirer will pay the balance price on the due date. The Company may at its discretion waive the balance price if it is successful in re-letting the boat for the whole of the hire period. It is therefore strongly recommended that the hirers protect themselves against cancellation liability by taking out cancellation protection. In the event of any claim being disallowed for any reason the hirer remains liable for the full hire charges. In the event of the operator being unable to re-book the boat the hirer will remain responsible for the full hire price unless covered by a cancellation protection scheme.

Cancellation Protection Scheme: A contract exists once a deposit has been paid and a booking has been confirmed, and you are liable for the whole cost of the holiday even if you are unable to take your holiday. Anglo Welsh Ltd, has created an optional Cancellation Protection Scheme (CPS) to offer you protection against this liability in certain circumstances. Where any of the qualifying circumstances are met, all hire monies will be repaid in full minus the Cancellation Protection fee and the Hirer will be absolved from the day to day worries of life. The decision of Anglo Welsh Ltd, is final. CPS only covers complete cancellation prior to the start of the holiday. It does not give a pro rata refund if one or more persons are unable to take the holiday. Cover is only provided for those persons named on the booking. Any claim must be supported by documentary evidence. Any claim must be made at the earliest opportunity by telephone and backed up in written form via Recorded Delivery Mail. Qualifying circumstances include: Death, injury, illness, pregnancy complications or confinement immediately prior to holiday commencement (certified in all cases by a qualified registered Medical Practitioner in writing). The above circumstances would also apply

to a near relative (husband, wife, father, mother, parent-in-law, sister, brother, child) or a close business associate. Jury Witness service in a court of law. Fire, storm, flood, subsidence or malicious damage making the Hirer's home uninhabitable. Police requiring the Hirer's presence following burglary at home or place of business. Cancelled orders in respect of U.K. Police and Military Personnel.

5. Hire Period, Collection and Return of the Boat. The hire period is as shown on the booking confirmation sheet. IT IS VERY IMPORTANT THAT YOU ARE AT THE BASE IN TIME TO COLLECT YOUR BOAT. THE 'WINDOW' FOR ARRIVAL IS 14.00 - 16.00. YOU MUST ARRANGE TO ARRIVE AT THE BASE WITHIN THIS 'WINDOW'. YOU MUST ARRIVE AT THE BASE IN TIME TO BOARD YOUR BOAT AND HAVE PROPER INSTRUCTION BEFORE YOU WILL BE ALLOWED TO CRUISE. Check in for holidays is from 14.00. Boats are available from 15.00. In order to cruise on the first day of your holiday, you must arrive at the base before 16.00. If you arrive after 16.00 you may not have a "boat handover" and you will not be able to cruise the boat. All bases are closed from 17.00 and you will not be able to gain access. Before departure, the company will give the Hirer such instructions and trials as the company sees fit, and requires the Hirer to check and sign for contents, inventory and Boat Acceptance. In the event that the boat is unavailable because of circumstances beyond the company's control, the company may substitute a boat of similar accommodation, but if no such boat is available, the company shall refund any payments made but shall not otherwise be liable and the contract shall be discharged. The boat shall be returned to the company's hire base no later than 9am on the morning of the end date. The boat shall be vacated and left in a clean and tidy condition by 9.30 am on the morning of the end date. The boat may not be returned to the base early except by prior arrangement in writing with Anglo Welsh's Head Office. Hirers are responsible for ensuring their cruising schedule allows them ample time to return to the base by the stated time. Breach of this condition will incur a minimum additional charge of £75 per hour or part thereof. In addition, the Hirer will be liable for any extra costs incurred by the company as a result of the boat not being ready for the next Hirer. Where the company has to recover a boat and return it to the base, the Hirer shall be liable for all costs incurred.

6. Prices and Payment. Prices are inclusive of VAT and are subject to any change in the VAT rate prior to the settlement of the price in full. The booking is inclusive of VAT and is not VAT invoices. Prices are in pounds sterling. The Hirer cost includes navigation licences for waterways operated by the Canal & River Trust covering most UK canals but not UK river navigations (including but limited to Thames, Upper & Lower Avon, Wey) where the hirer can purchase a visitor licence in advance or on arrival at additional cost. The Hirer shall reimburse the Company on demand for any expenses incurred in the conversion of foreign currencies, bank charges, special clearance, re-presenting cheques, processing payments or otherwise in obtaining cleared sterling funds of the amount due on the due date. Payment is not made until cash or cleared funds have been received by the Company. The booking deposit must be sent with the booking application and unless otherwise stated is 25% of the basic holiday brochure price. The balance of the price is due not less than 8 weeks before the hire start date. Time of payment shall be the essence of the contract. For bookings made within 8 weeks before the hire start date payment in full must accompany the booking form. Without prejudice to any other rights of the Company it may charge interest (both before and after any judgement) at the rate of 4% over the company's bankers base lending rate on any monies due from the due payment date until the date of payment and interest shall accrue from day to day.

7. Insurance. The boats, their equipment and inventory are insured by the company against public liability risks. The company's insurance does not cover personal accidents or loss or damage to personal effects. Hirers and their crews are strongly advised to take out their own personal insurance cover. The Hirer shall pay a compulsory £50.00 accidental damage waiver for each booking. Accidental damage waiver does not cover damage arising from speeding, contact with a lock sill causing damage to the rudder, skeg or stern gear, TV aerials, chimneys, malicious or intentional damage to the boat, or to other boats and or property, loss or damage of boat inventory and equipment. The late return of a boat or return of the boat in an unclean condition is not covered by the Accidental damage waiver. The Hirer will indemnify the company against all costs, damage, expenses, liability and claims howsoever arising from the negligence, neglect or default of the Hirer to the extent that they are not covered by the company's policy.

8. Obeying the Rules of the Waterways. The Hirer agrees to comply with the following rules at all times for the Health & Safety of the persons on the boat and other persons and the boat and its property:- The boat may not tow nor may it be allowed to be towed by another craft, except under professional assistance in the event of an emergency. Not have repairs carried out without the company's express permission. At all times obtain and follow the company's instructions. In the event that the company's insurance cover is prejudiced or invalidated by any failure on the part of the Hirer to comply with the provisions of this condition, the Hirer shall indemnify the company in respect of liability claims, loss, damage or expenses incurred. The Hirer shall be responsible for getting the boat off mud banks or other grounding and for removal of weeds, rope and other matter from propellers. The Hirer is responsible for and shall indemnify the company against any claim or charge made by any Navigation Authority for damage to waterway property or loss of water. In the event that the Company's insurance is prejudiced or invalidated by any failure on the part of the Hirer to comply with the provisions of this condition the Hirer shall indemnify the Company in respect of all liability claims, loss damages or expenses incurred. The Hirer is liable for and shall indemnify the Company against any claim or charge made by any Navigation Authority for damage to waterway property or loss of water.

10. Repairs and Breakdowns. The Hirer shall notify the company in the event of any balancing hire payment. The decision of Anglo Welsh Ltd, is final. CPS only covers complete cancellation prior to the start of the holiday. It does not give a pro rata refund if one or more persons are unable to take the holiday. Cover is only provided for those persons named on the booking. Any claim must be supported by documentary evidence. Any claim must be made at the earliest opportunity by telephone and backed up in written form via Recorded Delivery Mail. Qualifying circumstances include: Death, injury, illness, pregnancy complications or confinement immediately prior to holiday commencement (certified in all cases by a qualified registered Medical Practitioner in writing). The above circumstances would also apply

11. Car parking & Hirer's Personal Property. Free parking for two vehicles is provided for customers by arrangement, although at certain times of the year spaces are limited. The Hirer agrees to comply with the Company's instructions on car parking. THE COMPANY ACCEPTS NO LIABILITY FOR LOSS OR DAMAGE TO VEHICLES OR THE CONTENTS THEREIN. The Hirer is particularly advised not to leave valuables or ready portable items in cars. The Hirer is strongly recommended to take out Personal Holiday Insurance. The Company shall take such action as may be necessary to silence car alarms in the company's car parks and to recover the costs from the hirer. The Company may return hirer's property left behind if claimed and following the receipt of payment for postage and packing (minimum charge £10). Property not claimed within two months from the end date will be disposed of by the Company.

12. Fuel. The boat is handed over ready fuelled but the cost of hire does not include the fuel consumed. A fuel deposit is payable 8 weeks before the start of your holiday. At the end of your holiday period the boat must be refuelled and any difference to the deposit paid will be refunded or charged. The Boat Owner or the Company may make a fuel surcharge if there is any material increase of diesel or gas prices or duty. Whilst water supply and moorings on the canals are normally free of charge, any costs incurred are the responsibility of the Hirer. Where pump-outs are required to toilet tanks, the cost is the responsibility of the Hirer unless carried out at the Company's base.

13. Pets. You are normally allowed to bring your cat or dog with you, but you must tell us at the time of making your booking. YOU MUST BRING YOUR PET BLANKET OR BASKET WITH YOU AS PETS ARE ONLY ALLOWED ON THE CLEAR UNDERSTANDING THAT UNDER NO CIRCUMSTANCES MAY THEY LIE ON THE BEDDING OR CHAIRS. Registered Assistance Dogs will be accepted free of charge although all conditions apply.

14. Complaints. The Hirer will check the boat and its equipment fully, immediately after taking possession of the boat. Any shortcomings must be brought to the company's attention BEFORE the boat leaves the base. The Hirer shall sign a Boat Acceptance form before departure and thereafter the Hirer is completely responsible for the boat its equipment and its operation. Any complaint must be made immediately at the end of the hire. Any short comings subsequently discovered shall immediately be notified to the company by telephone in order to give the company the opportunity to take necessary remedial action. The company shall not be liable in respect of any matter not so notified immediately.

If you wish to make a complaint to the Company, The Hirer must do so by post or email no longer than thirty days from the holiday end date. CANCELLATION PROTECTION SCHEME

Important, Please Read Carefully

We all look forward to our holidays as a time to relax and get away from the day to day worries of life. But sometimes circumstances intervene and you might have to cancel your holiday.

Under the terms of hire with us, a contract exists once a deposit has been paid and a booking has been confirmed, and you are liable for the whole balance even if you are unable to take your holiday. Anglo Welsh has created an optional Cancellation Protection Scheme to offer you protection against this liability in certain circumstances.

Where any of the qualifying circumstances are met, all hire monies will be repaid in full minus the Cancellation Protection fee and the Hirer will be absolved from any balancing hire payment. The decision of Anglo Welsh Ltd, is final.

The Cancellation Protection Scheme only covers complete cancellation prior to the start of the holiday. It does not give a pro rata refund if one or more persons are unable to take the holiday. Cover is only provided for those persons named on the booking. Any claim must be supported by documentary evidence.
